Heart of Peace

"Peace is the Power at the Heart of God"...Ernest Holmes

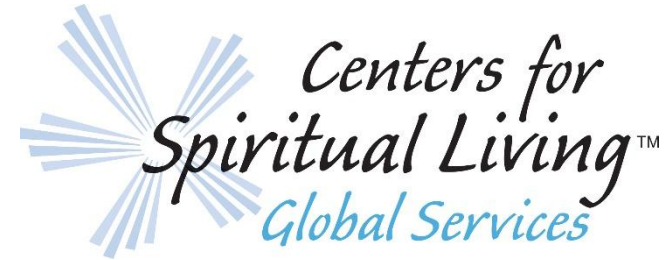

The Heart of Peace initiative is based on the principles that there is One Life; Peace is an essential quality of that Life; meditation is a primary way to experience Peace, and through our collective meditation a field is created that raises our vibration to more Peace.

Through the Heart of Peace initiative there are groups all around the world that are creating that field! *Won't you join us?*

Here's how you can get involved:

- ~Form a regular weekly or monthly Collective Meditation Group in Your Community or on-line.
- ~Join one of the on-line groups holding regular Collective Meditations for Peace.
- ~Include a Collective Meditation for Peace in your regular Sunday Celebration.
